PT. SURYA JAYA PERKASA

OUR HISTORY

PT. Surya Jaya Perkasa was established in 2004 in a modest workshop in Surabaya, with a mere 30 employees and limited resources.

Due to our unwavering commitment to serve our customers better, we have expanded to three workshops—cutting/bending, machining, and fabrication—bolstered by a team of 600 skilled employees proficient in mechanics, electrical work, and civil engineering

PT. SURYA JAYA PERKASA

Vision

To become a globally recognized contractor that prioritizes customer satisfaction and smiles.

Mission

- Safety: Instilling a safety-first mindset among our employees to ensure zero incidents and accidents.
- Quality: Emphasizing in-house fabrication processes to maximize quality control with a "Quality Invites Business" approach.
- Cost: Providing competitive and reasonable prices.
- Delivery: Committed to meeting scheduled activities and ensuring on-time delivery.
- Morale: Offering continuous follow-up during and after services to maintain strong relationships with our valued customers.
